Al Khor Industrial Area - 60177
Building No.26 , Zone 74, Street 5, Qatar.

Al Wasit Cabins is a leading provider of prefabricated building solutions in Qatar, dedicated to create value and make a difference by providing affordable and sustainable solutions.

Al Wasit Cabins (AWC) was founded in 1993 by Mr. Ibrahim Mohamed Al Mohannadi, and has since become a leader in the construction sector with its prefabricated building solutions.

WHO WE ARE

With over 30 years of experience, we have established ourselves as a reliable and trusted partner for our clients. Our state-of-the-art technology and modern facilities enable us to produce high-quality prefabricated units that are energy-efficient and suitable for severe weather conditions. Our goal is to ensure customer satisfaction by delivering projects on time and within budget.

OUR SERVICES

FRAMECAD

Our FRAMECAD machines help us deliver large scale cold formed steel (CFS) construction projects faster.

PREFAB HOMES

Our pre-manufactured homes offer a fast and cost-effective solution for your housing needs.

MODULAR CABINS

Our modular cabins offer a comfortable and sustainable living experience.

FINISHING WORKS

Our finishing works ensure the highest quality & aesthetic appeal for your construction project.

STEEL STRUCTURE & BUILDINGS

We specialize in designing & constructing steel structures of various sizes and purposes.

LIGHT GAUGE STEEL STRUCTURES

Our light gauge steel structures provide a durable and cost-effective solution for your needs.

PREFABRICATED FARM VILLAS

Our prefabricated farm-villas offer a comfortable and functional living space for your rural lifestyle.

BUILDING MAINTENANCE

We provide comprehensive building maintenance services to ensure longevity of your building.
